Description

The mountain “Chalet Sommet”, located in the district of Plantret is an authentic mountain chalet in very unusual decoration for a family chalet. This mountain chalet has a privileged location close to the slopes and ski lifts.
The decoration of this beautiful mountain chalet surprises: from its origins, the chalet is bathed in a poetic atmosphere linked to the forest and hunting. The theme of hunting and deer has been the common thread in the decoration and interior design of the Chalet 'Sommet'. The living area receives two beautiful cabriolet armchairs designed entirely from deer antlers and skin of the animal. The orange - brown sofa opposite the large wooden and stone fireplace reminds the colour of the autumn leaves at the beginning of the hunting season.
In the large dining room which opens onto the semi - professional kitchen is a gorgeous chandelier made with antlers illuminating the massive wooden table which easily receive the fourteen occupants of the chalet.
As if to emphasise and assert his wild character, two exceptional shotguns are hung on the wall of the room for pleasure of the enthusiasts.
Enjoy spacious living areas and the many facilities offered by the Chalet 'Sommet'. This mountain chalet welcomes fourteen people in seven gorgeous bedrooms including a master bedroom on the top floor accessible by a wide wooden stairs occupied by hunting trophies of an ibex and a mouflon. The wellness area houses a steam room and a Jacuzzi that you will appreciate after long days of skiing.
The Chalet 'Sommet' is a unique chalet with its hunting themed decoration. This mountain chalet will seduce demanding families looking for originality and a true traditional chalet experience in Courchevel 1850
