Description

Chalet Mont-Blanc is a 5 bedroom chalet located on the heights of St Gervais. Spectacular views of Mont Blanc, Sauna, terrace and Outdoor summer swimming pool.

The Mont-Blanc chalet is built on the heights of Saint Gervais, on the side of the mountain, so that most of the rooms and the terraces enjoy magnificent views of the Mont-Blanc range. The same applies to the outdoor swimming pool where you can swim in summer only while gazing at the peaks. It has four en-suite double bedrooms, a children's bedroom with 4 bunk beds and en-suite shower room and a large living area with lounge, dining room and open plan kitchen. The wooden fittings, combined with soothing tones and a few touches of stone, create a warm rustic atmosphere.

Designed to accommodate families or tribes, the Mont-Blanc chalet also offers recreational areas, such as a home cinema room, a sauna and of course its magnificent terrace where the swimming pool is adjacent to a dining area. It will be the ideal base camp to enjoy skiing in winter, but also the many summer activities in the mountains.

The property is fully equipped with satellite Internet connection, apple TV, speaker and audio system and access to Mycanal.

The price includes a welcome at the property, bathroom products and final cleaning.
