Surrounded by a walled garden and overlooked by the original turret, this unique period property exudes charm and original character throughout. Fountains, palm trees, cacti and fragrant flowers populate the enchanting garden creating a relaxing and timeless atmosphere away from the hustle and bustle of French Riveiera, yet the markets, bars and restaurants of sophisticated St Tropez are just a few minutes' walk away, and breath-taking beaches within 6 minutes short drive away.

The villa itself has been renovated to the highest standard and is filled with wonderful works of art and beautiful furniture, not to mention quirky design features such as the winding staircase and the wall of water which forms a backdrop to the dining room. The 4 en suite bedrooms sleep up to 8 adults in supreme comfort, two have independent access from the garden and are perfect for those who relish their own space, while the master bedroom in the main building has its own Hammam and dressing room and the final bedroom sits in the top of the turret offering views of St Tropez.

However the heart of the villa is its serene walled garden with a cleverly designed layout incorporating plenty of unique spaces to escape to. Relax on one of the shaded terraces where the only sound to be heard is the trickle of water from the fountain into the villa's original well, or enjoy a drink from the pool house bar with its own fridge, ice machine and coffee machine. The inviting mirror edge pool 10m x 5m is made of natural stone and is the perfect place to cool off amid exotic plants and olive trees. The pool can be heated on request for an additional charge.

Fully air-conditioned and filled with wonderful touches such as a wine cellar, office area and sound system throughout inside and outside, this is a simply one of the most luxurious and well-located properties available to rent in St Tropez.

From this exclusive, delightful oasis in the centre of St Tropez, near the famous Place des Lices, you will experience a genuine village atmosphere with a twice-weekly market attracting visitors from all over the region. You can enjoy a meal in one of the many seafront restaurants and stroll along the shimmering marina, where multi-millionaire yachts are moored. St Tropez nightlife is really close at hand and so are the legendary beach clubs of Pampelonne and sandy beaches offering all sorts of water sports facilities.
