## Description

A beautiful Mykonos hilltop villa above St. John's bay, this property oozes 'easy living'.
Stunning views of the ocean and the neighbouring Cycladic islands are matched by an outdoor area designed to be enjoyed to the fullest. Blossoming bougainvillea and wild cacti represent the archetypal Mykonian landscape, while a large infinity pool, surrounded by various terraces, and a private dining room add to the Beyond Spaces beauty of the property.
The interior, with new and antique white furnishings showcases a taste for pure lines and clarity of design. Natural light accentuates the all-white palette. The living room opens to a dining room with an imposing chandelier and a fully equipped kitchen, ideal for culinary lovers. There are four bedrooms inside the house with one being the master. A fifth one can be accessed from the outside. These is also a guest suite.
