Description

The Chalet SHL, on the Route de la Renarde, is one of the most popular luxury chalets at the Méribel resort. This magnificent chalet, classed as an Ultimate Luxury Chalet, easily accommodates 15 guests in six bedrooms. It benefits from a most exclusive location in the heart of the Méribel both close to the Chaudanne slope only 150 meters and to the centre, a rare find in Méribel. Unique features are the unobstructed panoramic views from the terraces and balcony, the superb swimming pool, and the outstanding underground wine cellar.

The Chalet designed in keeping with the typical architecture of Savoyard chalets, grey stone strengthens the foundations while aged lightwood covers the upper floors. The interior decor combines both modernity and tradition, making this an ultimate Luxury Chalet a rare pearl of design.
Each element has its own place the leather sofas and armchairs, the mountain objects scattered throughout the chalet like the bells hung from the exposed beams, the deer antlers that serve as a chandelier in the lounges, the old stove in the kitchen… Tuck into a copious breakfast around the long wooden table in the kitchen ready to take on the slopes of the world's largest ski area.

Skiing back to the front door of the chalet after a successful day on the slopes of the 3 Vallées ski area is a daily pleasure, a well-being space with a jet stream pool and wall-mounted fountains, a Hammam, a home cinema space and a library all await your return. The large sunny terrace of this overlooking the valley is perfect for hours of sunbathing or pleasant family lunches. In the evening, make yourselves comfortable on the leather sofas of the living room around the large wood and stone fireplace, sipping a glass or two of one of the wines from the cellar carved into the mountain, before sitting down to a meal prepared by the chalet chef.

Make the most of the facilities and large rooms of this luxury chalet. This Chalet sleeps ideally 8 adults and 8 children in its 3 en suite double bedrooms, its master bedroom where you can admire the view from the bed, and its two dormitories where kids can entertain themselves with endless pillow fights. Leave everything in the capable hands of the chalet personnel, tidying, ski passes and equipment hire, organising activities… Everything is taken care of so that you can enjoy your holiday to the full.
This Ultimate Luxury Chalet in Meribel is perfect for large families accustomed to the best in service and accommodation. The convivial atmosphere, the sophisticated decor and the numerous state-of-the-art facilities, combined with the high-quality service
