Villa Carolina is the place to be in Santorini. Privacy, exclusivity and unique views in a picturesque location just at the entrance of the famous village of Oia. The breathtaking views, warm traditional architecture and decoration will make your stay on the beautiful island a unique experience.

This luxurious house is right at the start of the village and within walking distance from all the restaurants, cafes and shopping area. Just 50 meters from the house starts the charming marble path of Oia that leads right to the sunset point. The main center of the island, Fira, is 11 km from Oia.

Villa Carolina is built in typical Cycladic style with a clean all-white feel and arched doorways all captured within the Aegean blue. The outdoor terrace provides views of the neighboring islands and endless opportunities to enjoy the horizon...

The villa features three bedrooms with King Size beds that one can be split in twin beds at your convenience. The two bedrooms have an en-suite bathroom with rain showers and one of them comes with a bath.
At large living areas comprise a spacious, separate living room with stylish, comfortable furnishings, a separate dining area and fully equipped kitchen for your self-catering needs.
Two large private terrace verandas with a large, iridescent infinity pool and an open air dining area, offer splendid panoramic views to the Aegean Sea, the mysteriously attractive volcano and the charming caldera, ensuring that those captivating vistas are always in sight.
