Description

Situated five minutes from Port De Sóller lies this gorgeous old mill which has recently been sympathetically converted to a large modern Finca without losing any Majorcan rustic charm
Combining to perfection the highest standards of modern comfort with its rustic features dating from the 17th century, this stunning property is located in a quiet area approximately 5 – 10 min drive to the nearest beach in Port de Soller, it offers a very unique holiday experience for larger families or groups of friends.

Inside is an equally happy blend of traditional, yet sympathetic modern refurbishment. The 2 living rooms, cosy snug and the smart well-equipped kitchen with an elegant dining table for 10 and with amazing views, enjoy a tasteful blend of the traditional Mallorcan farmhouse with modern Mallorcan chic.
The property also offers a further 'prep' kitchen on the lower floor, and includes all modern features such as air conditioning, central heating, Wi-Fi, a sound system and satellite TV.
The accommodation offers sleeping space for up to twelve guests with six double bedrooms, all with en-suite bathrooms.

The large garden is filled with scenic spots to relax in the Mallorcan sunshine. Laze on the terrace under a shady canopy or stretch out on a poolside daybed in sheer bliss.
Swim the length of the pool as you revel in the view of the mountains and countryside, or dine al-fresco overlooking the pool. The terrace also provides an ideal spot to watch the sun go down in anticipation of the evening ahead and all that Port Soller has to offer.

If you might want to travel further afield the picturesque old town of Palma, with its lively bars, cafés, boutiques and restaurants is just a 31 km drive and there are plenty of festivals and events throughout the year to keep you entertained. Activities and excursions can also be arranged at extra cost. The nearest airport is Palma Son Sant Joan (31.5 km).
