Description

An authentic Ibiza style villa - the much desired white island architecture and charm in every detail.
The Interiors are minimalist and modern with bright, open-plan spaces. There is air conditioning throughout the house, as well as central heating (under-floor heating in the casita), an open fire place in the large living, double insulated glass and high quality insulation on surrounding walls - this villa is not affected by the islands notorious damp winters making this villa perfect for winter stays!

There are 2 living areas both with sumptuous sofas, the larger lounge has a large TV with a logged in Netflix account, while the other lounge located in the casita has beautiful views across the wonderful gardens and the Ibiza countryside beyond. The indoor dining area easily seats 14 and also has views to the gardens.

The fully equipped, beautifully styled kitchen comes with all modern appliances including a coffee machine, dishwasher, oven, hob, microwave to mention a few. The house also benefits from laundry facilities, a brand-new Adidas Fitness Trainer, 600 m/bits fibre optic Wi-Fi internet.

There are beautiful gardens, a stunning pool of 12m x 5m, outdoor kitchen and several chill-out areas. The spacious terrace surrounding the pool features day beds, a luxurious covered chill-out area and amazing views of the valley beyond.
The outdoor kitchen and dining area are fully equipped to enjoy BBQs with family and friends, it is the perfect place to spend your evenings after a day spent floating in the pool, sunbathing by the pool or lounging in the shade.
Other outdoor areas include an outdoor shower, 8000 m2 fully fenced beautiful private garden, outdoor dining area for 20 people, 360° country views, secure property parking for 8 cars, a wall box to charge your electric car, distant sea views to Sa Caleta, outdoor Jacuzzi, fully equipped pool bar and a separate 2 bedroom casita featuring a stunning outside stand-alone bath.
