Description

Beautiful apartment with private Hammam for after ski days, perfect for a stay in our resort!

Less than 500m from the resort's centre, the apartment Le Caribou, located in the residence La Canadienne, offers a prestigious stopover at the bottom of the slopes of Val d'Isère. A great playground for all kinds of skiers.

Located in the Petit Alaska area, the residence la Canadienne combines the calm of the area with the proximity of the resort centre. Recently renovated, it offers a high standard of accommodation and generous volumes.

The Caribou is a duplex apartment that can accommodate 8 people. The first level includes 2 double bedrooms en suite, as well as a living room, dining room and open kitchen. A fireplace, dressed in stone and metal, warms up the atmosphere. The second level houses two other bedrooms and a hammam. The decoration strikes a subtle balance between contemporary alpine style and ethnic touches. Natural light enters generously through the numerous openings, filling the rooms with softness.

Less than 500m from the ski lifts of the famous Face de Bellevarde, Le Caribou is ideally located to enjoy skiing. Skiing is the DNA of Val d'Isère, which, with the neighbouring resort of Tignes, forms a skiing playground of 300km. The area is renowned for its high altitude - from 1550 to 3450 m - and its excellent snow cover. On the village side, Val d'Isère stands out for its mineral charm, its gastronomic addresses and its trendy places.
