Description

Le Bois du Ban, a prestigious chalet with pool in Courchevel le Praz
In the hamlet of Bois du Praz, there are 4 unique chalets with high-end amenities. It benefits from a privileged location, just a few steps from the village of Le Praz and the cable car allowing you to reach Courchevel 1850 in a few minutes.

The Bois du Ban chalet is spread over 5 levels, served by an elevator. With its modern architecture, it is composed of stone and wood cladding and offers vast living spaces. The chic and refined interior is decorated in soft tones and soothing materials.
Le Bois du Ban offers 5 en-suite rooms, including one adapted for people with reduced mobility (PMR) to accommodate 10 guests. At the top of the building, the living space is divided into a lounge, a fully equipped kitchen and a dining area, the whole heated by a central fireplace. The bay windows open onto a terrace and a balcony with a splendid view of the valley.

After a day in the open air you can relax in the wellness area with swimming pool and Sauna or watch a movie in the Cinema room. For a comfortable stay, a breakfast will be served at the table or on the terrace as soon as you wake up, and the chalet will be cleaned by a housekeeper.

Le Praz reflects the authentic village of Courchevel. Its narrow streets, chalets and old farmhouses exude a timeless soul. With its lake and its ski jump built for the Albertville Olympic Games in 1992, Le Praz offers a wide range of winter & summer activities.
