Description

Facing the sea, this magnificent property with its long infinity pool affords a spectacular 180-degree view of Palombaggia beach towards Sardinia, off Corsica's southern coast - a unique opportunity for a family beach holiday so close to the Corsican shore

Surrounded by lush Mediterranean gardens this exquisite beach property is just 600 metres from the fine white sand and glittering turquoise water of Palombaggia beach.

The interiors share the same simple elegance as the exterior, with lots of light, bright spaces furnished in tasteful neutral shades. The Villa all on one level with the large open plan living room with dining area and fully equipped kitchen, four bedrooms and Three bathrooms accommodating 8 guests. Outside the Villa is set in 1.5 acres of private grounds comprising maritime pine trees, cork oaks and ample lawn areas. Poolside lounge area, private heatable 14m x 4m pool with a depth 1.5m, Roman steps, electric cover - (not heated in July & Aug), outdoor shower, sunbathing area with sun loungers. Covered terrace with al fresco dining area and a barbecue.

The nearby Cerbicales marine nature offer some of the best diving in the Mediterranean, but if you prefer to stay on top of the water there are boats, kayaks and stand-up paddle-boards available to hire directly from the beach.

The soft sands of Palombaggia are a three-minute stroll so you can come and go from the house as often and as easily as you please and you can have lunch, dinner and even breakfast at the beach during the main summer season.

There's also an outdoor sitting area by the pool if you prefer a more intimate evening and for a much wider choice of restaurants and shops, the buzzy harbour town of Porto Vecchio is around 20 minutes away.
