Description

Beautiful and modern luxury townhouse overlooking the beach, 2 bedrooms, 2 bathrooms, terrace and direct access to the sea.

Mixing elements of traditional local architecture with contemporary Portuguese decor, this three-storey property blends in harmoniously with its unspoilt surroundings in Salema, a picture-perfect coastal village. The whitewashed townhouse, which blends into the environment and respects the surrounding nature, boasts two studio suites on the first and second floors. Each suite features an open-plan bedroom and living area, complete with an en-suite bathroom and small living area.
On the top floor, a fully furnished sunroof terrace with an outdoor dining area. While the shops and restaurants of Salema are an easy walk away, the main attraction is the postcard-worthy stretch of golden sand beach located a mere 3 metres from the villa, meaning you can roll out of bed and onto the beach in seconds.

This property on three levels consists of two large bedrooms with en-suite bath, fully equipped kitchen and living room, complemented by access to an ample terrace located on the top floor.
Fully furnished top floor sunroof terrace equipped with dining table and chairs for 6 persons under a pergola, with sunbeds and parasols.

This property combines the architectural history of the village and contemporary Portuguese decor, creating a sense of harmony with the place, overlooking the beautiful Salema beach and the Atlantic Ocean.
