Description

Experience the luxuries of the Côte d'Azur from this stunning villa with a wonderfully spacious roof-top terrace boasting the most incredible views of Cap d'Antibes and the Mediterranean.

Villa Aureto a breathtakingly beautiful abode with exquisite interiors and superb outdoor space. Step into the sumptuous living rooms, cook under the chandeliers in the elegant kitchen-diner with the latest equipment, including a drinks refrigerator, an American-style refrigerator with ice maker and distilled water, a large gas stove with multiple ovens and hobs and rest, peacefully in the six lavish bedrooms, all with modern bathrooms and some with pretty views from the first-floor balcony. With luxury bedding, Smart TVs with the full Sky package in every bedroom and air-conditioning throughout, it seems that every detail has been considered in this magnificent and welcoming villa.

The true "*pièce de resistance"* is surely the spectacular roof terrace at the very top with its bar and wine fridge, outdoor lounge and long al-fresco dining table with a barbecue. Whether sun-worshipping on the loungers, perching by the bar with sunset cocktails or enjoying memorable evening feasts with ambient lighting, the vistas all around you are incredible.

There are more glorious views from the outdoorJacuzzi/ hot-tub found at the top of the picturesque terraced gardens and there's also an infra-red sauna and poolside gym for guests to enjoy. The heated pool with sun loungers, and a fully equipped kitchen with a gas barbecue, refrigerator, tables and chairs & finally a secure parking is available.
All theses features completes this remarkable holiday home – enjoy a glass of chilled Côtes de Provence in the stylish poolside lounge, designed to remind you of the upmarket beach clubs of Ibiza.

Wander out of your gated grounds and the Mediterranean is just a few steps away – at the end of the road is a marina and small beach or wander up along the coast towards the sandy shores, water-sports and vibrant summer restaurants of Juan-Les-Pins, around a 20-minute stroll away.
Across the Cap d'Antibes there are blissful bays and hiking trails along the rugged coastline yet you are never far away from the old charm of historic Antibes, a jewel of the French Riviera. Cannes and Nice are also easily reached by car, as is the Côte d'Azur hinterland with its rolling hills of dense forests, olive groves and idyllic hilltop villages in this gorgeous part of southern France.
