Accommodating up to 10 guests, Villa Marisombra offers five luxurious en suite bedrooms, four doubles and one twin, each designed to maximise natural light and frame uninterrupted sea views. Every room is a private retreat where clean lines, refined materials, and a calming palette come together to create a sense of understated luxury.

Perfectly positioned above the harbour, Villa Marisombra enjoys sweeping panoramic views across the bay and marina, with every room opening onto the landscape beyond. From sunrise to sunset, the ever changing colours of the sea and sky become part of the experience. Despite its peaceful and private setting, the vibrant heart of Puerto de Andratx, with its waterfront restaurants, boutiques, and galleries, is just minutes away.

Outdoor living is at the core of Villa Marisombra. Expansive covered and open terraces offer multiple spaces to relax, entertain, and dine, all oriented towards the sea. The heated infinity pool, complete with a striking waterfall feature and integrated chill out area, appears to merge seamlessly with the horizon. A generous outdoor dining space and professional barbecue set the scene for long, relaxed evenings under the Mallorcan sky.

Inside, the villa opens into a vast, light filled living area where floor to ceiling glass enhances the connection between indoor and outdoor spaces. A sleek open plan kitchen, fitted with premium appliances, flows effortlessly into the dining and lounge areas, making it ideal for both casual family living and elegant entertaining. A fireplace adds warmth for cooler evenings, while a state of the art domotics system, controlled via iPad, ensures seamless comfort throughout.

For moments of relaxation and wellbeing, Villa Marisombra features a panoramic sea view sauna and a fully equipped private gym, allowing guests to unwind or maintain their routine in complete privacy.
