The neighbourhood is quiet and the garden is absolutely preserved and beautifully planted. The whole house is a haven of peace very well decorated and equipped. House staff (cook, caretaker, housekeeper) are at your disposal to ensure a comfortable and unconstrained stay.

On the ground floor a wall shelters the garden of the villa of the street. It is possible to park a vehicle along the wall in the street.
The entrance opens onto a large living room with fireplace, sofas and coffee table open on a space with a card game table.
On the other side a dining room communicates with the kitchen.
Living room and dining room opens onto a large covered terrace with a sitting area and a long table for lunch or dinner.
Beyond is the garden with its superb trees and palm trees, sun loungers by the pool and on each side of the pool small pavilions covered and comfortably arranged to rest in the shade.
