There are many interesting villages nearby such as St. Remy de Provence, the birthplace of the 16th Century astrologer Nostradamus and just outside the town is the impressive Greco-Roman archaeological site of Glanum. Also nearby is the beautiful retreat where Van Gough painted. Villages such as Les Baux de Provence and Fontvielle and the remote and mysterious wetlands of the Camargue (one of Europe's most important nature reserves, known especially for its pink flamingos, fighting bulls and wild horses) and all around the scent of rosemary, thyme and lavender.

A short 25 minutes drive north is the beautiful walled city of Avignon - a UNESCO World Heritage Site – the medieval city of Popes, with the biggest gothic palace in the world.
Pont de Guard – also a World Heritage Site – the incredible triple height aqueduct bridge built by the Romans, which delivered pure water to the Roman baths and fountains at Nîmes to the west, with its impressive Roman arena.
To the south, the city of Arles with its roman arena (holdings 20,000 spectators) and the nearest beach at St. Maries de la Mer (¾ hour's drive).
The Camargue offers wonderful opportunities to ride, bicycle and walk in this fascinating area. There is also excellent riding, cycling and walking in the Alpilles hills close to St Remy and Les Baux de Provence. Bicycles can be hired in several local villages and there are a number of nearby livery stables.
