You will feel overwhelmed within the luxury of this historical building and its welcoming ambiance. The architecture is a true masterpiece, and all furnishings within have been carefully chosen and customised for the space, offering luxury comfort.
The courtyard is a haven of peace by day, and an enchanted space by night with the moonlight and special lightning. The superb stone made heated pool 5 x 4m is a rare find in this village property. Comfortable sun loungers are at your disposal, as well as a barbecue and a long dining table. Villa Margo can accommodate 10 people in 5 spacious bedrooms

From the courtyard, a glass elevator leads you to the 2 floors. The combination of stone, glass and signed furniture creates a feeling of modernity and authenticity. The long glass corridors are spectacular and allow the sunlight to enter throughout the air-conditioned house.
On the first floor, you will find three bedrooms, each with en-suite bathrooms, while the second floor features two additional en-suite bedrooms.
The ground floor hosts luxurious living rooms and a professional equipped vaulted kitchen opening onto the paved courtyard. This connects nicely to the Al Fresco dining area.
