Description

Magnificent and authentic Riad in the heart of the Medina of Marrakech with 5 en-suite bedrooms accommodating 10 guests, with a large garden and heated pool.

Riad Laurence is a large private Riad of classical architecture offering to its guests all the wonders of traditional Oriental decor. You will not find in this house the modern, and now common twist of many Riads in Marrakech. Instead you will be transported in a luxurious atmosphere recalling the past splendours of Morocco an Arab-Andalusian style, a subtle mix of marble, precious woods, stucco and beautiful fabrics.

The patio boasts a very large murmuring fountain. All around the patio you will find the dining room and living room equipped with chimney and a reading room.
Five bedrooms can accommodate ten guests for a fully private stay and with excellent comfort. All rooms are air conditioned and centrally heated with an en-suite bathroom

There is a large terrace on the roof which is the ideal place for sunbathing or tasting the fabulous cuisine of the cook. Guests of the Riad Laurence can enjoy a selection of International and Moroccan cuisine. Meals can be enjoyed in the dining room, on the patio or on the terrace offering panoramic views of the city and Atlas Mountains which can be organized by the house concierge
The Riad has a hammam and massage room and a dedicated well qualified beautician /masseuse.

The Riad enjoys a privileged location near Bab Ghemat in the Medina of Marrakech, a ten minute’s walk from the Jamaa el Fna Square and the souk including numerous cafes, restaurants and night clubs, and a five minute’s drive to the Golf Royal and Amelkis.
