Description

Villa Free Spirit is situated on a small hillside just above the blonde unorganised yet popular Agios Sostis beach, a truly privileged location which provides the ultimate Mykonian experience the old school. It offers its guests an unobstructed sea view of Panormos bay and Agios Sostis beach and within a 2-minute drive they can enjoy the crystal-clear waters of the beach. Villa Goldie is ideal for families and group of friends looking to immerse into the bohemian glamour of Mykonos island away from “noise” yet close to everything.

Villa Free Spirit unfolds in 435sq.m and extends on a plot of 4.000sq.m offering spaces to relax in privacy yet to gather to enjoy the sunset and drinks by the pool area. It has been fully renovated in 2019 and consisted of 3 levels, providing in total five double bedrooms to accommodate 10-12 guests. The interior is designed to find natural light in all spaces while white colour prevails in most furniture and fabrics. The natural ambience plays harmoniously with elements of light wood to create a home away from home feelings throughout all the living spaces. Same pattern prevails in all bedrooms and bathrooms which have been designed to offer all modern amenities and features. Yet the best highlight is the sea views and the uninterrupted gaze of the clear horizon.

The outdoor area embracing the pool is exceptionally styled to offer a luxurious and comfortable outdoor living so the guests can enjoy the views and the unique location. Comfortable yet stylish furniture, ideal for all gatherings and moments.

Villa Free Spirit is among our favourite properties in the island to celebrate Mykonos bohemian yet luxurious style.
