Description

This recently restored typical Umbrian farmhouse is the ideal place for a quiet holiday away from the bustle of the city, in the pursuit of relaxation, walks in the countryside, and the discovery of historic villages. Podere Parrano is embraced by a flower garden with a barbecue and a private swimming pool. On the ground floor there is a covered terrace and a special space for deck chairs, sun loungers and bicycles.

The external stone staircase takes you directly to the first (only floor) of the property. From the entrance there is direct access to the large living room with dining room and an additional living room, with comfortable sofa's, satellite TV and a large fireplace. On the left there is a well-equipped corner kitchen. In front of the main entrance there is a twin bedroom with en suite bathroom with tub and shower, whilst on the right there is the remaining of the night area, with 2 twin rooms and a bathroom with shower and washing machine.

Outside the park surrounds the house, and is in part with lawn. The park extends to about 1500 m2. There is also onsite parking. Podere Parrano has a private swimming pool with rectangular shape and measures about 5 x 10 m, with a variable depth from 1,20 to 1,40 m.
