Description

Chalet Hadrien is located in a quiet and sought-after area on the Route de Renarde, few minutes' walk from the slopes 300 meters and the center of Mirebel with its shops, without doubt one of the most luxurious in Méribel.

The wood and stone exterior blends seamlessly with the alpine-inspired interior, where natural materials including fur and linen dominate. Set over four floors, this 800 m² property is able to accommodate 12 guests & 2 children across 7 spacious bedrooms and is ideal for families.

The main entrance to the chalet is on the ground floor, which features a spacious open plan living area with a roaring log fire, inviting sofas and armchairs, a reading corner, bar and an elegant dining table. There is also a separate well-equipped kitchen. Expansive windows provide a gateway to the stunning views across the valley and doors open onto a large terrace overlooking the World Cup slalom slope.

Just metres away from the living room is the superb wellness area that includes an indoor pool with integrated spa bath, sauna and steam room. There is even a relaxation area with a fireplace, the perfect spot to unwind after a hard day's skiing. A home cinema room with satellite television and DVD player is also located on this floor. Recent additions include fitness and massage rooms.

Chalet Hadrien has a variety of bedrooms, accommodating 12 guests & 2 children in total. One double bedroom and a cabin room on the ground floor share a bathroom. Also on this level is a family suite with double bed and bunk bed.
The first floor is home to the master suite with balcony and en-suite bathroom with whirlpool bath and walk-in shower. A further four bedrooms are located on this level, including a second family suite. The final two bedrooms are located on the top floor, a double bedroom and a children's bedroom with three single beds. These two bedrooms share a bathroom.

Outside the chalet it has the largest terrace of Méribel with stunning views of the slalom slope of the World Cup and a perfect place to soak up the sun
