Description

The chalet 'Abreuvoir', located in Hameau du Raffort, close to Meribel ski slopes, is a mountain chalet where comfort and conviviality are reunited. It is the embodiment of the Alpine spirit associated with high-end services and in a peaceful setting, it will seduce you with these 5 en-suite bedrooms, it's Jacuzzi and its beautiful wooden terrace facing south

The outdoor architecture of this mountain chalet is authentic, a splendid wood covers the walls and the large terrace. The indoors give a warm, quiet and welcoming atmosphere. You will be carried away by the alpine decoration, a perfect combination of wood and stone. In this region where the winter climate can be tough, the beautiful fireplace in the living room is the centrepiece in this mountain chalet, especially to reunite your family for moments of sharing and conviviality.

Set over four floors, the chalet has a bright open plan living area on the second floor, complete with fireplace, comfortable sofas and designer lighting. From here you have access a large furnished south-facing balcony with marvellous mountain views. A sleek modern kitchen with a breakfast bar overlooks the dining area, which is equipped with a rotating serving tray perfect for fondue or raclette extras.

After skiing, the Wellness/Spa area, complete with spa bath, sensory shower and Sauna, is sure to relax and revitalise you in order to be ready for the following day. There is also a cinema room with a big screen and specialist sound system.

Chalet L'Abreuvoir is able to accommodate up to 10 guests across five en-suite bedrooms. The master bedroom set beneath the eaves on the top floor has an incredible en-suite bathroom with a Japanese feature bath. A twin/double bedroom, with an Italian style walk-in shower, is also located on this level. Two double bedrooms with access to a south-facing balcony are located on the first floor and a final twin/double bedroom can be found on the ground floor.
