Description

The Mas de Sannas is located on the Château de Sannas estate which is a vast private property of over 70 hectares. It is located in the Lubéron Regional Park, near the most beautiful, listed villages in the region. It offers a superb, protected environment in the heart of a countryside sculpted by vineyards and wooded hills.

The Farmhouse is a property of character which is hidden in the heart of a private park and its vineyard, in one of the most beautiful sites of the Luberon. The property enjoys breathtaking views of the Luberon and the neighbouring villages. This house is an old stone Mas / Farmhouse set on a promontory behind the Chateau. Dating from the 18th century, it offers approximately 600m2 of living space in perfect condition. The Farmhouse as a whole offers 6 bedrooms, 4 bathrooms & a heated swimming pool.

The Farmhouse on the ground floor consists of a large entrance hall with passage, large vaulted living room and fireplace, television room.
Magnificent fitted kitchen with dining room. A games room, boiler room, laundry room and independent garage.
Upstairs there are six beautiful air-conditioned bedrooms and four bathrooms.

Outside the estate stretches to 40 hectares of vines in production, AOP Lubéron and a small olive grove including 20 hectares of cereals and fields of truffles and lavender.
Behind the Mas is an old dovecote dominating the property. At the entrance of the property is an old windmill perfectly restored and in working order.
There is a heated swimming pool. The domain also includes an oak wood in the centre of which is a second pond

Please Note:
The property as a whole is comprised of three buildings - The Main Chateau (7 bedrooms), The Mas / Farmhouse (6 bedrooms), and The Maison d'Amis (1 bedroom+3 beds), they can therefore be customised to each individual group's needs. When rented alone as a 7-bedroom Chateau only, the Mas/Farmhouse and Maison d'Amis are simply closed. The property is rented privately to only one group.
