Description

Chalet Pow Pow has a very bright and refined atmosphere with a Scandinavian feel, without denying its alpine origins. The living space is spread over six levels, served by a lift; This large chalet for families offers seven en-suite bedrooms, including a children's room with four beds. The cathedral living room, warmed by the presence of a fireplace, opens onto the snow-covered landscape through large picture windows. The mineral touches, the light wood floor and the woolly materials of the accessories bring warmth and softness to this prestigious chalet. An environment dedicated to your relaxation and the contemplation of the surrounding mountains.

The full range of leisure and services and just 50 metres from the Plantrey chairlift, the chalet offers direct access to the slopes of Courchevel and the 3 Vallées. After a day on the slopes, you will return to the chalet and its superb wellness area. The main attraction is the 15 metres long indoor swimming pool. The Sauna/Hammam, gym, massage room and games room complete this area, which is ideal for your relaxation or for gathering with family and friends. The chalet's dedicated staff (chef, butler, housekeeper) ensures that your stay is serene and stress-free.
Ideally located, ski-in/ski-out and close to the centre of the resort, with a wide range of facilities and services, Chalet Pow Pow will be the perfect retreat for your stay in Courchevel.
