## Description

Set in the heart of Les Chenus district of Courchevel 1850, Chalet Nanuq is one of the three properties that make up the Hameau de la Volière. Surrounded by fir trees and boasting stunning views over the valley, its location at the foot of the slopes endows it with easy access to the world's largest ski area. With its warm and welcoming atmosphere, the chalet successfully exudes the feel of a family home, combined with top-of-the-range hotel services.

A chalet that exudes the feel of a family home, in Courchevel's most prestigious location...
Step into a world of elegance and sophistication! Imagined by one of the biggest names in interior design, Christophe Tollemer, Chalet Nanuq harmoniously combines different eras and worlds. From classic French style to mountain retreat, the materials and decorative objects blend together beautifully, as if they'd been carefully collected over the years. The cosy, comforting atmosphere is reminiscent of a welcoming family home. Comprising 6 bedrooms, the chalet is set over 5 floors, and is equipped with all the latest smart home technology. Its large furnished terraces and balconies invite you to soak up the snow-capped landscapes. A relaxation area features a swimming pool, Jacuzzi, gym and massage room, with a home cinema, billiards, library and bar ready to keep you entertained. Chalet Nanuq is also home to a mezzanine level especially for children, designed as a cabin.

Located on the edge of the Plantret run, the chalet enjoys easy access to the slopes of Courchevel and Les 3 Vallees is an exceptional ski area that reaches up to high altitudes, linking the Courchevel, Méribel and Belleville valleys.
When you stay at Chalet Nanuq you'll enjoy hotel services, with a chef and a butler at your disposal to prepare and serve your meals. A housekeeper and chauffeur are also on hand whenever you need them throughout your stay.
