## Description

Beautiful blend of traditional Alpine architecture and modern comforts only 30 metres from the Bellecôte piste and a few minutes' walk from the centre of Courchevel 1850, sits this beautiful chalet.

Set over five levels, connected with three elevators, and with 1,000 metres of living space, this chalet can house 16 guests in eight bedrooms. Chalet Tahoe can be linked with Chalet Owens to accommodate large groups of family or friends or corporate parties. The spa, with an indoor swimming pool, hot tub and steam room, and relaxation facilities are exceptional.

Recently renovated, the interiors offer a luxurious setting using elegant monochrome shades accented with modern art. The living area's ceiling is double height, creating a sense of open space in the two lounge areas with a central fireplace and bar area. Next to the dining area is a piano for evening entertainment and there is a separate professional kitchen. The whole area has terrace access. On the ground floor entrance level is an office space.

On one of the lower levels is an amazing spa and entertainment area, retaining the mountain atmosphere of the chalet with its vaulted ceiling and rough stone walls.

A most attractive feature of the spa is the 15mx3m indoor swimming pool, a giant Jacuzzi and a modern Hammam. A private massage room and a gym with a wide variety of Technogym equipment form part of the wellness area.

Guests will have many laid back evenings in the cinema room with its fluffy red velvet carpet and comfortable seating.

Decorated in similar stylish fashion, are eight generously sized bedrooms, comfortably accommodating 16 guests. The rooms range from 35m<sup>2</sup> to 60m<sup>2</sup> in size and all of them have direct access to a terrace or a balcony.

Each of the luxurious rooms has a double bed, dressing area, sitting area with TV, a safe and balcony access. The bathrooms all have marble en-suite bathrooms, each with a baths, rain shower and separate WC.
