Villa Meridiane is a beautiful house, situated in a dreamlike and quiet location in La Croix-Valmer. This property with pool and fascinating views of the sea, is a few minutes drive from the port of Saint Tropez or the beautiful sandy beach of Pampelonne. Thanks to its optimal south-west hillside location, the house ensures a wonderful sunshine throughout the day and offers its occupants an excellent living quality. Sleeping up to 10 people, this villa is perfect for an amazing vacation, with family or friends, on the Gulf of Saint Tropez.

This villa, from which the sea is visible from almost every corner, provides lots of space, comfort and privacy. Luxurious and maritime, lavishly designed, it offers its guests the perfect setting for an unforgettable vacation.
Due to the two completely self-sufficient living areas, the property is for example ideal for two families who want to vacation together.
The house consists of a pool level and a completely separate garden level.
On the pool level, guests will find three bedrooms, two bathrooms, a large living room with dining area, access to the pool area and open kitchen. From the living room it is possible to enjoy a beautiful view over the pool to the sea. There is also a shaded terrace right next to the open kitchen, perfect for a leisurely breakfast.
On the garden level are two more bedrooms each with its own large bathroom, a conservatory with a spacious living area, an open kitchen and a cosy TV corner. The garden level forms a completely self-sufficient unit that offers enough space and privacy for a whole family.

This property, which extends over 2000 square metres, is not visible to the neighbours. So guests can enjoy their privacy undisturbed.
Visitors can appreciate the terraces, the garden and the pool/grill house with fully equipped kitchen, covered dining area and gas barbecue. This area is the perfect place to end the day with a meal and to sit and enjoy the view of the sea and the surrounding hills until late at night.

They can also enjoy the large pool 10m x 5 metres - depth 1.6m with direct view of the sea and the distant horizon. The pool can be heated (with extra) and is equipped with an automatic cover.
There is also a beautiful lounger and seating area with sea views, which offers a great alternative to the pool level.
