Very pretty 6-bedroom villa, ideally located between the beaches of Sidi Kaouki and Azro Essaouira. Household staff, Spa area with Hammam and massage room, peaceful setting, lovely views of the ocean, Atlas mountains and countryside, generous outdoors with garden, terraces and heated pool.

Set on a vast 2.5 hectare private estate, La Villa Sables is an incredible property with heated pool, offering 360° panoramic views of the Atlantic Ocean, the Atlas Mountains and the charming countryside between the beaches of Sidi Kaouki and Azro in Essaouira.
Overlooking the famous Oued wave, this peaceful haven with heated pool is perfect for surfing enthusiasts. The house is ideally located in a quiet environment, yet is only a 15-minute drive from Essaouira international airport. Combining elegance, comfort and an enchanting natural setting, this property is perfect for an unforgettable holiday in Essaouira, whether with family or friends.

Furniture sourced from second-hand dealers and carefully chosen colour schemes give each room a warm, unique character. The house houses a unique collection of art and decorative objects from various African countries, evoking the many travels of the owner's grandfather.
The living spaces, which offer panoramic views of the ocean and countryside, are exceptionally well appointed for absolute comfort. The house includes a large family kitchen, a cosy lounge with a grand piano, a spacious dining room, an office area and a large pergola.
The SPA with its traditional Hammam and massage parlour will add a relaxing dimension to your stay.

The property boasts very pleasant exteriors, inviting you to take full advantage of the views and natural surroundings.
There is a beautiful heated taddelakt swimming pool 11m x 5m - 1 to 1.8m deep. From here, you can enjoy a breathtaking panoramic view.
There's also a pétanque court, several relaxation areas and two outdoor dining areas.

The villa staff provide a daily service from 8am to 5pm, maintaining the communal areas and preparing breakfasts and meals as required (cost of ingredients not included - you are responsible for your own shopping).
Amhed, the very discreet caretaker, lives close to the house and looks after the pool and garden on a daily basis (in the mornings).
Fatima will look after the bedrooms and bathrooms.
Imane, a young Berber woman who speaks perfect French, is a real cordon bleu. She is on hand every day to look after the communal areas and prepare meals according to your wishes. Adil, her husband, will take care of all your requests concerning the organisation of activities, or any technical details in the house.

For added convenience, an evening service is available from 60 € (on request and at an additional cost).

The house enjoys a privileged location with a host of activities nearby:
