Description

Chalet Harmony is a 7-bedroom chalet in the Dou du Pont district of Méribel, with sauna, gym, steam room, jacuzzi, cinema room, ski room, car park and staff.
The Chalet, an exceptional property in the heart of Méribel, crowned best new ski chalet in the world at the World Ski Awards 2024. Opened in 2023, the chalet offers a unique blend of luxury and comfort in a prime location just minutes from the main lifts. With seven perfectly appointed bedrooms, a dream wellness area with swimming pool, sauna and jacuzzi, and exceptional cuisine provided by a private chef, Chalet Harmony promises an unforgettable stay in the heart of the Alps.

The chalet is spread over four sumptuous floors, with every interior detail designed to provide an exceptional experience. The chalet's contemporary alpine style plays with warm neutral tones, combined with the elegance of wood, stone and wool. The seven sumptuously furnished bedrooms, including a master suite occupying an entire floor, can accommodate up to 14 adults. Each room is equipped with a TV and Sonos sound system.
For post-ski relaxation, the first floor features a cinema with tiered seating and a complete wellness area with sauna, hammam, indoor pool and fitness room, providing the ideal setting for relaxation.
The upper floor reveals a beautifully appointed living space, combining a comfortable lounge, open kitchen and spectacular dining room around a central fireplace. A well-stocked wine cellar, games area with pool table and minibar complete this convivial space.

The sun terraces offer breathtaking views of the mountain panoramas, while a large outdoor dining table is available to enjoy your mornings over a coffee. These outdoor spaces magnify the alpine experience by fusing indoor luxury with the surrounding natural beauty.

Situated in the prestigious Dou du Pont area of Méribel-Centre, the chalet is perfectly located, just a short walk from the lively shops and restaurants in the resort centre. The chalet is just two minutes by minibus from the main ski lifts, providing easy access to the huge Trois Vallées ski area.
