Description

For a slice of heaven, it doesn't get much better than this. Phenomenal volcanic views, cool cavernous interiors…welcome to Santorini at its sexiest. Once a working bakery, this villa has been transformed into the perfect hide-away, great for couples or a small group of friends.

Villa Sunset Magic consists of two cave houses, set on an upper and lower level, connected with exterior stairs.. ...It is rented as a whole and you use both levels with two terraces and an outdoors Jacuzzi plunge pool.
The upper level offers a smooth, cool sculpted interior with an easy flow from one living area to the next and a vista to knock your socks off. It consists of a light and airy living room, dining area, and well-equipped kitchen.
The master bedroom leading from the living area, offers a cosy bedroom with Queen size bed and en-suite bathroom.
The second bedroom twin or as a double to make a King, the bedroom has a en-suite bathroom .
A private balcony provides the perfect outdoor area for enjoying the uninterrupted volcano view.

Exterior stairs connect you with the lower floor.
Enter the lower floor – if you can take your eyes off the view that is! – which offers fresh white interiors with the continuous flow from living space to bedroom creating a quietly cool and friendly atmosphere.
This villa boasts a spacious double bedroom with a gorgeous en-suite bathroom with his and hers vanities. Ideally a villa for two, there is additional sleeping room for extra guests on the banquette style couch, which is serviced by a second bathroom just off the living area.

For those who love to cook, the piece-de-resistance of this villa will most definitely be the kitchen – an uninterrupted Caldera view from your stove top. A private sun drenched terrace with soul-stirring views and outdoor Jacuzzi – plunge pool complete the picture.

Villa Sunset Magic claims an enviable position in the village of Imerovigli, and guests can enjoy the myriad of shops and excellent restaurants which are within a few minutes leisurely stroll from the houses.
An idyllic setting for a relaxed vacation. Trust us – you'll forget the very idea of stress.
