Description

Villa Emerald is cited on top of the hill of Filitzi on Paros island and enjoys panoramic views of the Aegean sea and the island of Paros.
The architecture follows the typical Cycladic minimal lines and aesthetics with the white, grey and blue prevailing in all expressions and spaces. The main structures are embraced by local vegetation and olive trees further creating a positive aura and energy.
This is an ultra stylish and spacious villa, with a unique design to accommodate large families and group of friends while enhancing privacy and comfort.

The interior of the Villa Emerald is chic island style with contemporary design. All furniture is handpicked to create an overall elegant sense of luxury and sophisticated touch. The main house unfolds in spacious levels with all comfort amenities, while the guest houses at the pool level preserve independence and privacy.

The outdoor areas offer a variety of corners to celebrate the sunset and cherish moments with family and friends.
