Description

Villa Selna is located on the southern part of Mykonos at a very close distance to some of the nicest beaches on the island. This luxurious villa covers an area of more than 700sqm and is decorated with exceptional taste.
Built on four levels, Villa Selna incorporates three living rooms, one main kitchen, two kitchenettes, eight bedrooms and ten bathrooms.
This autonomous, multi-level design allows for privacy and separate living spaces. Also, most bedrooms have their own private balcony.

The outdoor areas give ample space for enjoying the Aegean views, consisting of an extra large swimming pool, a covered porch of 160m^2 with great protection from the wind, a second covered porch of 40m^2 and spacious terrace. The bar, lounge and dining areas around the infinity pool allow for a fun day in the sun or cocktail hour and dinner with guests. A unique villa for rent...
