Description

This Mykonos property is a ‘blue dream’ indeed. Overlooking St. John’s bay, it enjoys panoramic views over the Cycladic islands, the ocean and Delos, an UNESCO world heritage site.
Beautifully arranged stone walls, a Mykonian motif, and artfully placed cacti lead up to the luxury villa, faithful to the island’s architecture and respectful of its surroundings. Bougainville’s give their own tone, adding pops of colour.
Totally protected from the island’s winds, outdoor living could not have been made easier. A spacious area around the infinity pool provides the ideal setting for cocktail drinks right before dinner in the dining area. Wooden outdoor furniture creates an ambience of authenticity.

The interior’s décor is soothing to the senses. White furnishings and fabrics form a perfect background for showcasing classic furniture that blend harmoniously with the Villa’s overall elegant style. From the living room to the dining room and open style kitchen, guests indulge in comfort. The oversized master bedroom comes with its own small office area, the desk an antique. Two more bedrooms provide ample space for a relaxing stay. All bedrooms have access to a veranda, with stunning views of the sea.
