The traditional mountain Chalet Colorado, decorated in true Savoyard style is a warm, traditional chalet with high-end amenities which help modernise the chalet. Built on the slope, the entrance to the chalet is at the ground floor and all living and recreation rooms are located in the lower levels.

There is a large living with a dining area occupying most of the first floor. The large wooden and stone fireplace, large red fabric sofas and many decorative items made from antlers give this mountain Chalet its special warm ambiance. The large rectangular table in dark wood in the dining room promises to its occupants beautiful moments of conviviality in the Chalet.

Enjoy spacious living areas and numerous high-end fittings offered by the Chalet Colorado. This mountain chalet welcomes up to 14 people in its 7 bedrooms. The two exclusive rooms of the chalet are undoubtedly the magnificent master bedroom with a bathroom en-suite, dressing room and private balcony on the top floor and the relaxation room with its table football, fitness room, Hammam and Jacuzzi.
