Description

The Chalet 'Ruisseau Renarde' located on the route de la Renarde near the centre and slopes of Méribel, is a middle mountain lodge that combines comfort and conviviality. This mountain chalet embodies the spirit of Alpine chalets combined with high quality services that are the hallmarks of Méribel.

Authentic mountain Chalet with old light wood which dresses the facades and terraces, while a traditional grey stone strengthens its rustic soul at the foundation of the chalet. The interior of the 'Ruisseau Renarde' Chalet offers a warm and peaceful welcoming.

The interior decoration and furniture are a subtle blend of natural materials: wood, leather, linen or wrought iron occupy the living space. In the region where the climate is sometimes rough in winter, the beautiful stone and wood fireplace of the living room is the center piece of this mountain chalet: not only it brings warmth to the chalet for the occupants but it becomes the meeting point of the chalet, a place to socialise and share special moments together.
You will appreciate the spaces and the equipment the Chalet Ruisseau Renarde has to offer. This mountain chalet can accommodate 11 people in its 3 double bedrooms en-suite and its dormitory on its top floor, the perfect place for a pillow fight by the younger occupants of the chalet. After a long day on ski slopes, you will enjoy the relaxation area with its sauna and massage table.

The superb terrace facing south west situated on the first level of this mountain chalet will place ideas in your mind of perhaps having lunch in the sun on the terrace before setting back out onto the slopes of the world's largest ski domain.
The Chalet 'Ruisseau Renarde' will seduce families that are searching for an authentic and warm environment in Méribel. This mountain chalet is the perfect place for your holiday.
