Description

This large family home dating from the Louis XIII period, which can accommodate between 4 and 8 people, will be admired by lovers of architecture and aesthetes. Even more intimate than a charming hotel in Normandy, this magnificent residence becomes a real factory of memories and will welcome you "like at home". It is an ideal place to spend quality time with family and friends. Close your eyes for a moment and enjoy a unique experience

When you enter this manor house, the beautiful woodwork and the classical decoration immediately take you on a journey back in time, plunging you into the life of a "Château" living in times past!;
In the large, light-filled living room, the windows, silk curtains and the soft pastel shades are a gentle reminder of the French way of life in the 18th century and plunge you into another era.

In winter, it is easy to imagine long afternoons playing or reading by the fire in the large living room, the laughter of those who are busy in the kitchen preparing the copious evening meal and endless dinners in the dining room.As soon as the weather is fine and throughout the summer, the magnificent French park will be enjoyed more and more: enjoy a breakfast in front of the house and spend hours admiring the richness of the green nature.

Look out of the kitchen window the sea is beckoning you! Get on a bike and head off to the beaches of Ravenoville just 5 minutes away from the Domaine. This immense play park is the perfect spot for fishing on foot with your family, a horse cavalcade or …. an introduction to sand yachting! From April to October Utah Mer Loisirs offers classes for beginners.To continue your quest of a change in scenery, be sure to include an excursion to St. Vaast la Hougue, an adorable village labelled in 2018 as “preferred village” by the French. Its small fishing port and its winding streets will be charm you.

Between April and September continue to the other side of the coast, where you can admire the magnificent classified Gardens of Vauville, designed by the talented landscape architect Guillaume Pellerin and his wife Cléophée de Turckheim.
On the way back, stop in Valognes to visit Hôtel de Beaumont, one of most beautiful, private mansions of Cotentin and dine at L’Epicurien. The menu is simple but delicious and the staff absolutely outstanding, however, be sure to book ahead!
