Description

In the heart of the Méribel valley, the hamlet of Raffort stands out for its charm and authenticity. It alone embodies the mountain imagination, through its traditional chalets and its old renovated barns. Wood and stone, a chapel and even an old mill testify from the history of the village. The Olympe cable car located 200m from the hamlet offers access to Méribel Centre as well as to the ski slopes area in a few minutes.

Chalet Les Sorbiers is nestled in this idyllic setting. With a surface area of 525m², this prestigious chalet can comfortably accommodate 12 people. It offers five en-suite double bedrooms, some of which have balconies with mountain views, as well as a master bedroom. The living area with lounge, dining room, kitchen, home cinema and billiards room is on the third level. The light and soft colours, combined with the raw wood of the frame, contribute to the bright and peaceful atmosphere of this mountain chalet.

After long days in the fresh air, you can take refuge in the chalet's leisure area. It includes a sauna, an indoor Jacuzzi, a gym and a massage table. And to make sure you enjoy your holiday with a free mind, you will benefit from the attentive services of a housekeeper, a chef and a chalet manager. A private shuttle will also take you to the centre of Méribel in a few minutes.

This exceptional chalet in Meribel will appeal to lovers of great skiing, in search of privacy and tranquillity. You will feel at home with a housekeeper for the upkeep of the chalet, a chef for the preparation of meals and a chalet management who will take care of you throughout your stay. All you need for an exceptional holiday
