Description

In a unique setting and a comfort worthy of the most beautiful chalets of Courchevel, Le Moulin is the perfect chalet for your family vacations.

At the edge of the peaceful lake of Courchevel Le Praz, the luxurious chalet Le Moulin with very high quality services has been totally rebuilt on the slope. It benefits from a unique location. Drive around the lake and the gondolas will take you to Courchevel 1850 in a few minutes.

The chalet Le Moulin is built on 4 levels, served by an elevator. Thanks to its very modern architecture, combining wood and stone cladding, it offers you vast living spaces and spacious rooms. The chic and warm interior is decorated in warm tones and relaxing materials.

Le Moulin offers 6 en-suite rooms, including one with a children's dormitory, and can accommodate 14 guests. At the top of the chalet culminates around the central fireplace a bright living space with a large living room, a fully equipped kitchen and bar and a dining area. Enjoy the unique view of the lake of Courchevel Le Praz thanks to the bay windows that open onto a terrace.

The wellness area with massage room and indoor Hammam, sauna and outdoor Jacuzzi welcomes you in complete relaxation when you return from skiing. You can also enjoy watching a movie in the cinema room. Your continental breakfast will be served to you at the table or on the terrace as soon as you wake up, and the maintenance of the chalet will be assured by a housekeeper.

Le Praz represents the authentic village of Courchevel. Its narrow streets, chalets and old farmhouses exude a timeless soul. With its lake and its ski jump built for the Albertville Olympic Games in 1992, Le Praz offers a wide range of winter and summer activities for everyone to enjoy.
