Description

Chalet Menor is a prestigious Chalet with swimming pool in the Mussillon area of Méribel. Its location will bring you privacy and tranquillity less than a kilometre from the resort centre and 800 metres from the ski slopes.

This large mountain chalet is a perfect combination of traditional Savoyard architecture and modern comfort. Noble materials such as wood, marble and stone combined with white, grey and black tones create a comforting atmosphere.

With its 330m2 divided over 3 levels, it can comfortably accommodate 14 people in a large master bedroom with fireplace, 4 double en-suite bedrooms and a children bedroom.

The first level is entirely dedicated to the living space. The cathedral roof and the large openings that run the length of the house bathe the whole room in natural light. On the south-facing terrace you can relax in the Nordic bath, enjoy sunbathing and contemplate the panoramic view over the Allues valley.
For a wellness interlude, head for the relaxation area, which is also lit by natural light and opens onto the snowy landscape. You will enjoy its magnificent indoor swimming pool and outdoor Sauna which will delight all guests.

The Chalet Menor includes a prestigious service with a chef, who will prepare your meals (breakfast, snacks and dinner), a housekeeper who will take care of the daily maintenance of the chalet and a valet service.

This family Chalet with services promises an unforgettable stay in the mountains. In an authentic, festive and lively setting, the resort of Méribel offers exceptional facilities such as the Olympic Park with ice rink, swimming pool, gym, spa, games library, etc. in the heart of the 3 Vallées ski area
