## Description

Chalet Lamartine is part of the design chalets category, with a Rock'n Roll and chic spirit, located in the centre of Megève, a rarity in the resort. Completely renovated in 2017, the style of chalet Lamartine is one of the most popular trends in interior design today. The combination of materials and technologies is one of the many advantages of this design chalet.

The decoration is a subtle blend of styles contemporary, design and authentic that make it an exceptional property, unique in Megève. The combination of natural materials such as old wood, glass and stone with decorative elements that are sometimes offbeat and rock, sometimes more authentic and sober, a unique universe at chalet Lamartine.
The living room includes the living room and the large equipped kitchen opening onto the dining area, a warm, bright and friendly space where you will love to meet. The glass staircase is a work of art by itself, where glass adds an extra touch of brightness and originality.

One of the instantly recognisable features of the chalet is the cleverly integrated touches of colour, in this chalet's authentic soul, the mixture of black and white or bright colours in the rooms, brings a touch of glamour, sophistication, in a luxury and intimacy style. Also the authenticity of this renovated chalet, having kept its original structure, dating from the 60s and 70s, by the carpentry, prodigiously enhanced in each room. The exposed beams impress the rest of the design furniture and bring an atypical and sophisticated side a real charm asset.

Chalet Lamartine has the best equipment that could even convince tropical beach enthusiasts to embrace chalet adventures in a prestigious ski resort. A cinema room for family & a fitness room with shower for optimal comfort, an outdoor Jacuzzi with a view of Le Jaillet ski area for moments of relaxation. Various facilities and services, the most sought-after in a chalet of this standing.

The chalet offers 6 magnificent rooms with undeniable charm, which can accommodate 12 people. From sound systems on the terrace and balconies, to televisions in each room, find the latest technology in the various rooms. Chic, modern and original, chalet Lamartine is one of Megève's jewels.
