Centrally located with an array of amenities that are within walking distance makes this villa the perfect place for a family holiday in the sun. Step outside your door and you will have a large selection of restaurants, cafes, and things to do within a short walk.

The villa offers three spacious bedrooms plus a staff room and is filled with a pleasant ambiance and loads of character. It has been tastefully decorated and blends modern interior with a Mediterranean touch of flair. As you walk into the villa you will be delightfully surprised with the feelings of warmth and space. The spacious living room has a fireplace and leads out to a glassed patio. The kitchen is fully equipped with all modern amenities and will have everything you need to prepare the holiday evening meals.

The well maintained and large garden area outside is the perfect place for relaxing in the sun. Take a dip in the pool or lounge around on the sun beds that surround the pool. Should one wish to escape the sunshine there is a covered lounge area perfect for chilling out, relaxing and enjoying an afternoon snack. What we love most about the house is the attention to details such as exterior fans above the dining and relaxing area on the terrace. It makes dining a la carte perfect in the summer time.
