Description

Beautifully renovated chalet, with an unobstructed view of the mountain. A large terrace and a comfortable chalet for 15 people.
These are the major assets of the Bacaro Chalet. Its large windows open onto the wooded landscape, with no construction obstructing the exceptional view from the interior and the terrace.
Located in the Mussillon area, the Chalet is close to a shuttle bus stop that will take you directly to the 3 Valleys slopes.
The chalet is arranged on three levels and can accommodate 15 people thanks to its 6 bedrooms and its en-suite dormitory.

The ground floor has a large living room with a fireplace, open to a terrace with a view of the Meribel peaks. A fully equipped kitchen open on the dining area will offer convivial moments. You will also find the master bedroom, a ski room and a garage.

The first level hosts two bedrooms. Relax and read a good book in the room specially designed for that or enjoy a good movie in the TV room.

On the last level of this chalet you will discover the dormitory room that can accommodate 4 children. Its bright colours will please your children! This floor also has a laundry room and three double bedrooms. Ideal for families or friends.

After skiing, enjoy the Hammam and the Balnéo Bathtub
