Description

Experience unparalleled luxury at Villa Liberty, a gem nestled within a stone's throw from Mondello's splendid golden beach, boasting a magnificent private pool for your enjoyment. This early 1900s villa perfectly embodies the distinctive Palermo and Mondello Liberty style (Art Nouveau) and harmoniously marries grandeur with nature.

This historic villa has been meticulously restored, with Liberty architectural elements carefully preserved. Flourishing floral patterns, ceramic tiles, iron staircase railing, stuccoes, mouldings, and stained-glass windows enrich its charm.

Framed by a charming garden teeming with towering Mediterranean trees, Villa Liberty10 provides a cool, shady retreat during the heat of summer. The sun-drenched private pool, complete with steps for easy access, awaits your plunge, while a tastefully arranged outdoor dining table on the terrace is prepared for your candle-lit Sicilian meals under the stars.

The villa is a delightful blend of the main house and a dependence, designed to bathe in natural light.
The main house, with an array of large windows and skylights, invites the sun in. The ground floor houses an elegantly designed living and dining area leading to a well-equipped kitchen. It also features two Queen ensuite bedrooms, both with direct garden access and bathrooms equipped with showers or baths. The first floor harbours another Queen bedroom with a sea-view patio and an ensuite bathroom with a bath

The dependence adds to the Villa splendor with more Queen bedrooms. A bedroom with direct garden access and an en-suite bathroom is on the ground floor. The first floor offers a Queen bedroom with a terrace and an en-suite bathroom.

Situated just 7 miles from Palermo, the Villa offers a gateway to Mondello, famous for its pristine, white sandy beach, perfect for swimming, sunbathing, and water-sports. It's a place where sun, sand, sea, and Sicilian culture converge, with bustling restaurants, cafes, and local festivities right on the beach.

Retreat into tranquility at Villa Liberty10, whether to read, meditate, or relish the picturesque scenery. Embrace the warmth of the sun, the allure of the beach, and the rich culture of Sicily. Luxury and comfort are woven into the very fabric of Villa Liberty.

Inside the property live two extremely discreet service persons who will daily clean the rooms and bathrooms, and once a week (halfway through the stay) change the linen. After these activities, during the day, unless there are special requirements, they will go to work outside. On request and for an extra fee they can also cook. & do shopping service
