Description

This beautifully presented five bedroom villa is located along a track above the coastline in Banyalbufar.

Few places on Mallorca offer such a spellbinding blend of sea and mountain vistas as this estate, home to this exceptional five-bedroom villa. Nestled high in the Tramuntana Mountains on the island's northern coast, La Mejor Vista commands panoramic views over one of Mallorca's most dazzling stretches of shoreline. Whether you're lounging on the expansive terrace or swaying in a hammock strung between pine trees, every angle reveals another breathtaking perspective.

Built in the traditional Mallorcan style, La Mejor Vista is a harmonious blend of rustic stone architecture and modern-day comfort. Its gardens brim with fragrant Mediterranean flora, offering a mosaic of shaded corners and sun-dappled clearings. Here, tranquillity reigns supreme — a haven for those seeking total seclusion and a genuine connection with nature.

Reached by a four-kilometre winding driveway that climbs through olive terraces, citrus orchards, and pine forests, the approach to the villa sets the tone for what awaits. The surrounding landscape is pure Mallorcan drama — rolling mountains plunging towards the glittering sea below.

Several well-marked walking trails begin on the edge of the estate, including a coastal route that leads to Son Bunyola Beach. The charming villages of Banyalbufar and Esporles are only a short drive away, and despite the villa's deep sense of remoteness, the island's lively capital, Palma, lies just over 30 minutes away.

Designed to accommodate up to ten guests, the villa's five spacious bedrooms are arranged across three levels, each with its own en-suite bathroom and direct access to a furnished terrace. Every room features thoughtful touches — Bose Bluetooth speakers, plush towels, luxury toiletries, and soft bathrobes.

The master suite, located on the upper level, boasts the most spectacular sea views and includes a sumptuous deep soaking tub for long, indulgent evenings overlooking the mountains and coast.

From the villa, steps descend to a stunning 15×6-metre swimming pool, surrounded by cushioned loungers and parasols — perfect for sunbathing, reading, or dozing beneath the endless blue sky. The pool can be heated during cooler months, ensuring comfort year-round. Guests also enjoy access to the estate's shared tennis court, complete with rackets and balls for leisurely matches amid the mountain air.

This is a place designed for deep relaxation — where the rhythm of the day is set by the sound of the breeze through the pines and the gentle shimmer of the sea below.

At the heart of the villa lies a charming country-style kitchen, equipped with state-of-the-art appliances and framed by lovely mountain views. For outdoor cooking, there's a large barbecue grill — ideal for preparing long, leisurely lunches under the Mallorcan sun.

When you feel like dining out, Banyalbufar offers superb coastal restaurants with mesmerising sea views, while Esporles — just a few kilometres inland — provides a livelier atmosphere with excellent local dining options.
