Description

In the Rond-point des Pistes area of Méribel, the Aspen Lodge and Park residence and its wellness area enjoy one of the best locations in the resort. Put on your skis on the slope, only 50 meters from the ski room. The resort's shops and services (ski pass offices, ESF, Pioupiou club) are only a few steps away.

Aspen Park 32, distributed on 2 floors, offers a surface of 150sqm. Decorated in a chic alpine style, it brilliantly combines tradition and modernity. The walls are covered with wood, touches of marble, clean lines and soft tones for a friendly atmosphere like at home. The living room is composed of a modern kitchen open to a dining room and a lounge warmed by a fireplace. The large windows open onto a balcony with a spectacular view of the surrounding mountains. Its 4 double or twin bedrooms are all equipped with bathroom or shower room, access to the balcony and can accommodate 8 guests.

For a moment of relaxation, visit the residence's wellness area, which offers a Sauna, a Steam room and a Gym.

Also, your stay at Aspen Park and Lodge includes 4 parking spaces and a ski locker within the residence.

With family or friends Aspen Park 32 is the promise of good times sharing, unlimited skiing and conviviality in the heart of the "3 Valleys" ski area
