Description

Dreamy sea views and luxury interiors in a sought-after location on Ibiza's south coast, Vista Dream ranks highly as one of Ibiza's most sought-after luxury hideaways. Located on the private, gated community of Vista Alegre, it enjoys a spectacular, private coastal location. Here, you're close to the best beaches and bars of Ibiza's legendary south coast.
Nestled in the cliffs, between fragrant pines and rocky shore, this deluxe, modern villa enjoys a fabulous seafront position. Perched above the glittering blue bay of Es Torrent, at Vista Dream you're treated to beautiful sea views wherever you turn.

The seaward side of the property faces the bay, where rocky coastline tumbles into the blue sea. The views from the pool deck and terraces are breath-taking. Here, the infinity pool seems to merge with the blue sea, as it melts into azure sky ,creating a scene of endless sun-kissed blue.

Around the pool, you'll find cool chill-out spaces, sun loungers, and soft sofa seating. Laze here to enjoy the view or soak up some warm Ibizan rays. A chic cabana on this terrace is the perfect place to watch the sun disappearing behind the headland at sunset & with golden pinks streaking the evening sky.

Closer to the house, there is an al-fresco dining area to each side of the property. One faces out poolside, so you can enjoy the sea views. The other is found on the terrace on the garden side of the property.

Here, you'll find a wide lawn and flower-filled borders.The al-fresco dining space seats up to twelve. Nearby, a small bar area with bar stools is perfect for a lazy breakfast or pre-dinner drinks. The generous lounge space with soft white banks of sofa seating, gazing seaward, on this garden terrace make it an ideal place for entertaining guests.

Floor-to-ceiling glass doors open the terrace to the interiors, where you'll find dreamy living spaces with more cool, white sofa seating and glorious sea views. A suspended fireplace in the main living space creates a homely feel when the nights begin to draw in.

The cool, minimalist style of soft whites, clean lines and neutral tones continues throughout the kitchen, living spaces and bedrooms.

The six spacious double bedrooms are blissful retreats, most with private terrace access with either sea or garden views. Each of the six bedrooms is en-suite. Bathrooms feature polished cement walk-in showers or feature bath.The master suite has a large dressing room and a wide sun terrace with sea views.(A further bedroom is available for guest's own staff, only available on request.)

Guests here may also negotiate use of the property's boat. The boat is a SACS Rebel 47 (14+ metres) and has a platform that can carry the auxiliary Williams Jet Tender that not only allows to do all water-sports and entertainment in the sea, but also to board and disembark the boat in most places. The property has direct access to the sea and a boat dock to board the boat right in front of the villa.

Perfect for relaxing retreats, luxe family holidays, sociable entertaining, or to explore the beaches and bars of Ibiza's beautiful south coast, Vista Dream is a dreamy property in a sought-after south coast location.
