Description

Château du Jonquier is a quintessential French château in Provence that lies near the foot of the iconic Mont Ventoux, set in a beautifully landscaped park with ancient oak trees, pines and the gentle sounds of birds or cicadas alongside a private swimming pool fed by a natural spring.

Inside, a blend of worldliness and heritage comes to life. Lovingly restored by owners with global roots, the interiors marry handpicked family antiques with vibrant French fabrics from Pierre Frey, Zoffany and Lelievre. Every corner tells a story. The Grand Salon invites lingering conversations whilst the garden gallery is anchored by a Schiedmayer baby grand piano. The kitchen, expertly equipped for preparing leisurely meals or for formal occasions, complements the potager, where herbs, vegetables and fresh eggs from the henhouse await each morning. Dine beneath centuries-old plane trees on the south terrace, paved in Provençal pink stone, or gather beside the vast fireplace in the intimate dining room, where you can feast together.

Up to 10 guests can stay in comfort, with all bedrooms air-conditioned and most offering marble-clad en-suites featuring sleek Grohe fittings. Each room is a haven in itself, furnished with ‘And So To Bed’ beds, divan mattresses and thoughtful touches such as crisp white linen and high-thread Egyptian cotton towels.

Just over 1km away, the charming medieval village of Mazan offers morning trips for croissants, afternoon café stops and restaurants. Here, you are immersed in real Provence, yet never far from the rest of the world with pretty Vaucluse villages and towns within easy reach such as Venasque, Bédoin and L'Isle-sur-la-Sorgue.

Back at the château, take a stroll through the walled garden and forest, cool off in the swimming pool sourced from a natural spring, play a game of boules on the pétanque court and look out for crayfish and hungry nutrias by the ponds.

As dusk falls, the owl calls across the grounds and the stars seem impossibly close. The world outside recedes. Château de la Source is more than a place to stay - it is a return to something rare, rooted and quietly extraordinary.

Location info:
Near the foot of the iconic Mont Ventoux, Château du Jonquier enjoys a spectacular setting within 5-hectares of historic parkland in a region of lavender, vineyards and orchards. This location in Provence perfectly balances both natural beauty and convenience, close to the historic heart of Mazan and only 37 km from Avignon.

Just over 1km from the château lies the historic village of Mazan, where narrow lanes, pretty houses and a small handful of restaurants offer an authentic taste of Provençal life. It's wonderful to be able to stroll to the village for morning croissants – do note that the first 200m along the main road does not have a pavement.
Surrounding Vaucluse villages such as Venasque 10 km, Bédoin 11 km and Pernes-les-Fontaines 11 km are brimming with old-world charm, medieval architecture and local artistry – Venasque is classified as one of France's 'Plus Beaux Villages'. Nearby Carpentras 8kmoffers a livelier atmosphere with an impressive cathedral. Don't miss the region's celebrated farmer's markets where you can pick up seasonal produce, regional cheeses and fragrant truffles. In the summer months, the market in Velleron 16km takes place six evenings a week.
Wine lovers will relish their position in the heart of the Ventoux appellation, with vineyards stretching in every direction and cellar doors inviting tastings of robust reds and delicate rosés wine-tasting can also be arranged at the château itself. The fertile landscape also produces cherries, olives and the coveted black truffle, while surrounding orchards and forests provide the perfect backdrop for scenic walks and countryside rambles. Hikers will find a multitude of rural footpaths winding through fields and woodland, with more adventurous trails (and challenging cycling routes) climbing the slopes of Mont Ventoux itself.
The château is ideally placed for day trips to some of Provence's most iconic destinations. Explore the papal city of Avignon 40 km with its historic bridge and grand Palais des Papes, or stroll along the canals and antique shops of L'Isle-sur-la-Sorgue 24 km. The stunning hilltop village of Gordes 24 km, another official "Plus Beaux Villages de France," is just a short drive away, offering breath-taking views and timeless beauty.
With its privileged location and picture-perfect surroundings, Château de la Source is a sublime gateway to the very best of Provence.

Getting to and around
Stay in and around the region of Avignon to discover picturesque villages, historic towns, Côtes du Rhône vineyards and beautiful landscapes of summer sunflowers, olive groves and rural countryside. This is a fantastic base for exploring much of Provence and beyond.

With its historic, gastronomic and cultural riches, the small city of Avignon stands proudly by the banks of the Rhône, home to vibrant markets, restaurants, wine-bars and impressive UNESCO World Heritage sites.

One of the most visited monuments of France, Le Palais des Papes is in the heart of the old city, next to the 12th century cathedral and leafy Jardin des Doms where you can admire gorgeous views of the river and Provençal countryside beyond. Soak up the rich history of Le Pont d'Avignon on a guided tour before heading over the river to capture photogenic shots of the city from île de la Barthelasse, France's largest river island. Avignon's little tourist road train is a great way to explore the historic city with young children.

Stock up on seasonal fruit, vegetables and regional delights at the beautiful covered market at Les Halles d'Avignon or wait for the main Saturday morning Provençal market near the 14th century Basilique Saint-Pierre. Embrace the city's food scene across its many cafes and restaurants from the tourist haunts of Place de l'Horloge to hidden gems found on the charming side streets and shady squares of the old quarter. Avignon is also known for its Côtes du Rhône wineries and bars waiting to be discovered.

In July the 3-week long Festival d'Avignon takes over the city, a world-renowned event with contemporary performing arts, films and exhibitions taking place across theatres, cinemas and outdoor venues.

Beyond the city centre, hire bikes to cycle along part of the via Rhôna route or enjoy the landscapes of île de la Barthelasse passing farmland, orchards and vistas across the river towards Avignon's city centre. Meanwhile, antique lovers won't want to miss the Saturday morning brocante in Villeneuve-lès-Avignon, one of Provence's most famous flea markets, or venture further afield to the wonderful Sunday morning brocante in L'Isle-sur-la-Sorgue.

Embrace the Provençal ambience across villages of the Vaucluse – one of our favourites is charming Pernes-les-Fontaines, loved for its many fountains and

delightful market every Saturday morning and Wednesday evening in July and August. Velleron is famed for its early evening farmers' market open throughout the year (six evenings a week from April to September) whilst Saint-Didier and Venasque are two other picture-perfect Provençal villages to discover.

Driving south instead, visit the art galleries and Wednesday morning market of Saint-Rémy-de-Provence, a bustling town on the edge of Les Alpilles where Vincent Van Gogh lived towards the end of his life. Enjoy lunch on a pavement terrace in the idyllic hilltop village of Eygalières (you may even spot a discreet A-list celebrity or two) or head south-west of Avignon to embrace the historic ambience of Tarascon and Beaucaire with their impressive castles overlooking the Rhône river.
