Description

A haven of luxury and tranquillity in an exceptional setting with outstanding scenery that you never tire of admiring, Mas Renard is an exclusive destination where luxury comes in the form of silence, land and horizon. The décor is tasteful, the materials are noble, the lighting is well thought out and comfort is absolute. A unique setting for a stunning holiday.

First, there is the majestic entrance hall. Then, the living areas on the ground floor, bathed in light, from which you can admire the panoramic view of the valley. There is a large, elegant open-plan kitchen with top-of-the-range appliances, a dining area and a lounge with a fireplace. The kitchen opens onto a large dining terrace with a plancha grill. A more intimate TV lounge completes these living areas.

Outside, the terraces invite you to relax and enjoy the magnificent unobstructed view. From the beautiful 17 x 4.5 metre heated swimming pool, you can enjoy the same breathtaking view while swimming laps or simply cooling off! You can also enjoy the shaded pool house with barbecue. The Mediterranean Garden and olive grove blend perfectly into this remarkable landscape.

For more entertainment and relaxation, you can also enjoy a pétanque court, a gym and a sauna. Numerous hiking trails starting from the house allow you to explore the region.
You will be enchanted by this property in the heart of the Alpilles, which is home to several exceptional natural sites such as the archaeological site of Glanum and Les Baux-de-Provence. Its location is ideal. All the shops and restaurants in Maussane are less than a 10-minute drive away. Avignon TGV station is 40 minutes away and Marseille airport is a 50-minute drive away.
For golf lovers, the Servane golf course is a short 5-minute drive away.

The Mas is located between Mausanne and Mouries both a few minutes' drive to these lively villages with its shops, many bars & restaurants. Also, the charming, picturesque village of Eygalières is not far away.
There are many other interesting villages nearby such as St. Remy de Provence, the birthplace of the 16th Century astrologer Nostradamus and just outside the town is the impressive Greco-Roman archaeological site of Glanum. Also nearby is the beautiful retreat where Van Gough painted. Villages such as Les Baux de Provence and Fontvielle and the remote and mysterious wetlands of the Camargue (one of Europe's most important nature reserves, known especially for its pink flamingos, fighting bulls and wild horses) and all around the scent of rosemary, thyme and lavender.

A short 30 minutes' drive north is the beautiful walled city of Avignon - a UNESCO World Heritage Site – the medieval city of Popes, with the biggest gothic palace in the world. Pont de Guard – also a World Heritage Site – the incredible triple height aqueduct bridge built by the Romans, which delivered pure water to the Roman baths and fountains at Nîmes to the west, with its impressive Roman arena.
To the south, the city of Arles with its roman arena (holdings 20,000 spectators) and the nearest beach at St. Maries de la Mer (¾ hour's drive).
The Camargue offers wonderful opportunities to ride, bicycle and walk in this fascinating area. There is also excellent riding, cycling and walking in the Alpilles hills close to St Remy and Les Baux de Provence. Bicycles can be hired in several local villages and there are a number of nearby livery stables.
