Description

“Located in the exclusive gated community of Pinhal Velho in Vilamoura, this is a stunning contemporary villa that oozes class. Just five minutes by car to the beach, bars and marina.”

This villa was designed by the award winning architect Vasco Vieira, set in just over an acre of grounds, offering the perfect retreat for those looking for a sleek, contemporary approach to Algarve living.

The interior is spacious, open plan in style and offers various areas such as the living area or dining area where a family or group of friends can meet and socialise. There are six contemporary en-suite bedrooms and an expansive lower ground area with a games room and home cinema. The spacious grounds include a large swimming pool, several covered terraces for alfresco dining with two barbecue areas as well as a roof terrace with a jacuzzi overlooking the nearby golf course.
Pinhal Velho itself is a quite and relaxing environment but is near the marina, shops, bars, Casino and beach club.
