Once an 18th century “canvas”, this village home Villa Siren’s Song has been meticulously renovated, without dampening its authentic vibe. Located a skipping distance from the island’s best beaches, it is a fun loving and cosy, with playful curves guaranteed to make the whole family smile.
Just the two of you ? Lucky you, this villa is the perfect secluded bolt hole.

The kitchen takes center stage, blending seamlessly into the sunny courtyard, blushing with bougainvillea.
The organic open-plan living and dining space integrates with the master bedroom via exposed brick archways, and links to an opulent bathroom with sunken bath and a natural stone shower. There’s also a second separate en-suite bedroom overlooking the courtyard.
Photographers love this house for its light – thanks to the high-vaulted ceilings throughout – and it has even been featured in interior design coffee table books and numerous glossy publications.

The decor is clean and smooth, it’s creamy white tones decorated with little treasures from the local potter.
Truly, a home away from home.

Pamper your self in the all-natural outdoors hot tub situated on the upper floor terrace *(chemical free features ozone generator, UV disinfection system*) I pod dock with speakers. After dipping in the hot tub you can complete your experience soaking the sun on the sun beds on the terrace next to the hot tub.

The Villa features a living and dining room, 2 double en-suite bedrooms, fully equipped kitchen with modern appliances, enclosed courtyard with parasol and alfresco dining area. Multilevel roof top terraces with chemical free hot tub, sunbeds, view of the village and the Aegean Sea in distance a, laundry room with washing machine.

The location of Megalochori is a lovely village located in the centre of Santorini, with white painted houses, beautiful churches, narrow cobble streets and a quant village atmosphere surrounded by vineyards. It provides a perfect base from where to explore the island of Santorini. To get to the best beaches of the island (Perivolos, Vlyhada, Red Beach) is just a 10 minutes’ drive. At the same distance is the capital (Fira). The village starting becoming popular the last years and has excellent restaurant options from traditional local tavernas to more gourmet options.
